FLOOR LAMP

These instructions are provided for your safety.
Please read carefully before commencing work and retain for future reference.

SAFETY INFORMATION

* If the flexible cable of this product is damaged it should be exclusively replaced by the manufacturer or a similar qualified person in order to avoid a hazard.
* To prevent electrocution switch off at the mains supply before assembling or maintaining this fitting. Ensure the plug is not connected to any power supply and read instruction before assembly.
* This floor lamp is fitted with a 3 Amp fuse and is suitable for 240 Volt ring mains.
* Always be sure to use the correct type and wattage of bulbs as indicated on the fitting. Never exceed the wattage stated.
* When changing the bulb, ensure product is unplugged and allow the old bulb to cool down before handling. Dispose of used bulbs carefully.

ASSEMBLY INSTRUCTIONS

1. Unpack the product and remove all packaging. Be careful not to scratch the surface of the product whilst removing the plastic wrapping.
2. Lay the product out on the floor. If the floor is not carpeted please cover it with a soft cloth to avoid damage to the flooring and surface of the product. Assembly should take place with the product lying flat.
3. It may be necessary to remove protective packaging (plastic / cardboard) located at cable entry points of the product.
4. Screw the lower stem onto the bulb holder stem, take care to hold stems parallel to avoid cross threading. Hold upper stem still and only turn lower stem so as not to twist the cable. j
5. Gently pull excess cable out of the base until the stem meets the base support post. k
6. Hold the assembled sections still then screw the base onto the stem, take care to hold stem and base support post parallel to avoid cross threading. l Hold assembled section still and only rotate the base so as not to twist the cable.
7. Stand the floor lamp upright and ensure the assembled sections are fully tightened.
8. Remove the shade ring from the lampholder, fit the shade m and then secure into position using the shade ring. n
9. Fit bulb, type and wattage as indicated in the floor lamp ¦ **The wattage indicated must not be exceeded.**
10. Floor lamp is now ready for use.
