Energy class A-A+

With its contemporary design and simple shape, the award-winning Artist is a beautiful candidate for a future classic. The build-in LED panel is covered with a opalized shade, which soften and defuse the light. As the name suggests, the design is inspired from the world of music – by a drum kit cymbal. Design by Bjørnelycke mdd

This luminaire contains built-in LED lamps

The lamps cannot be changed in the luminaire.
