Installation & Operation Guide

Large Amber Glass Base

3734693

WARNINGS

This glass base has been finished by hand so each piece is unique. Bubbles, colour and pattern variations occur during the manufacturing process

This unit has been designed and built according to international safety standards. These warnings are given for safety reasons and must be carefully followed.

Please read these instructions carefully and retain this document.

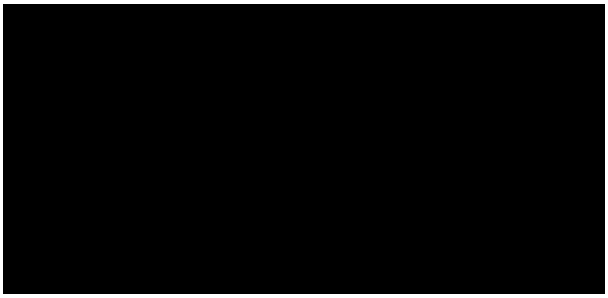

- Only use the Bulb Wattage recommended by the label on the lamp holder or lower. Never Exceed Recommended Wattage.
- When changing a bulb, switch off at mains, allow bulb 15-20 minutes to cool before handling. Dispose of used bulbs in accordance with local regulations.
- This product is suitable for indoor use only and place out of direct sunlight.
- Laura Ashley work hard with some of the best suppliers available to be sure that the quality of our product does not disappoint. Please inspect the unit before installation and speak to customer services if there is an issue. Issues are more difficult to rectify once the unit is installed.
- Please clean using a damp cloth, do not use abrasive cleaners or multi-purpose sprays, they may affect the finish.
- The flexible cable on this luminaire, if damaged, shall only be replaced by the manufacturer or his service agent or a similar qualified person.
