• Minimalist and streamlined design • 3-step Moodmaker™ dimming operated from wall switch • Rough surface and decorative fittings
• Perfect above the dining or kitchen table • Industrial look in gun metal

Functionality and design comes beautifully together in the Lilt series. Lilt has a uniformly illuminated surface throughout the lamp, and is equipped with built-in three-step Moodmaker™ functionality that gives you the opportunity to easily change the light according to your needs from your regular wall switch.

The simplicity of the pendant is emphasized by two beautiful black fittings that contrast the stringent rectangular gun metal surface. Perfect above the long dining or kitchen table.
