Dimmable: No

Energy class A++

Cuba is designed with a fixed LED module, which enables a slim and minimalistic design and high functionality ideal for placement on both ceiling and wall. The oval lamp emits a beautiful and functional light, and even has a high degree of protection, IP54, which makes it ideal for outdoor use. As Cuba is suitable for humid areas, it can further be mounted in the bathroom or basement.

Cuba Bright was given its name based on its high lumen output, which increases the light output of the lamp while maintaining a soft and warm light.

This luminaire contains built-in LED lamps

The lamps cannot be changed in the luminaire.
