On/Off: 20000
Colour temperature: 3000K
RA: 80
Candela: 750
Beam angle: 36°
Dimmable: No

Energy class F

Alec is a series of round, glare-free downlights with three-step Mood-maker™ dimmer on the regular wall switch. The dimmer function gives you three different options of setting the right light: the main light on 100%, the main light on 50% or only the outer light ring which works perfectly as a night light. The built-in memory function remembers your last setting. This downlight is suitable for bathrooms or other humid areas (IP44).
