Colour temperature: 2700K
RA: 80
Dimmable: Yes

Energy class F

nordlux®

This luminaire contains built-in LED lamps

The lamps cannot be changed in the luminaire.

874/2012

Curtiz is a LED wall light in a minimalist, modern design. It lights both up and down, creating a cosy ambience that you can adjust by the three-step Moodmaker™ dimmer. The dimmer works by the regular wall switch, setting the brightness of the light with one, two or three flicks of the switch. Built-in memory function remembers your last dimmer setting.
