• Architectural design • Parallel connection possible • Fits our base unit for easy installation in the ground
• Durable material that is well-suited for harsh weather • 15-year guarantee on extensive

Pontio is a series of outdoor lights with a streamlined, architectural design by Danish design duo Says Who. The geometric shape adds modern yet timeless style to your home, while the oblique shade provides a unique and interesting look from all angles. Easy installation in the ground with the Nordlux base unit.

The beautiful and durable version in galvanised steel is especially suitable for use in harsh coastal climates. Nordlux offers a 15-year warranty on galvanised steel. This warranty includes extensive corrosion in the form of holes in the metal caused by rust.
