• Ripped diffuser creates a pleasant light • Durable material that is well-suited for harsh weather
• 15 year warranty on extensive corrosion

The Linton series by Danish design duo Says Who is carried out in a round and elegant design with clear references to the classic lantern. It has a ribbed diffuser that ensures a pleasant, diffused light and a base made from galvanized steel that is well suited for harsh weather. The table lamp is water resistant and perfect to place on the garden table, the balcony or in the greenhouse.
