ONAN

The Onan LED shaver lights have been exclusively designed by our in house team. These sleek and curved yet functional LED shaver lights come in a choice of white or chrome and emit a bright, clear light. The shaver socket is covered by a spring loaded flap ensuring the IP44 rating is maintained when the socket is not in use. The voltage output can be switched between 115V and 240V. Supplied with a pull cord switch. Designed for quick and easy installation as well as looks and functionality.
