SCIMITAR

The Scimitar range consists of compact and energy efficient floodlights. The Scimitar has a unique prismatic shade to reduce glare & an angled bracket to ensure easy installation. A variety of finishes and PIR versions are available. SMD also provides less heat which is one of the main advantages of LED. IP65 rated protection and a 5 year warranty as standard. Comes pre wired with a 1.5m flex cable.

IP65 RATED

PRE-CABLE **1.5M**

- Constructed from die cast aluminium alloy & polycarbonate
- LED module (DOB SMD)
