LUCCA

The Lucca range are a collection of functional exterior wall packs for commercial applications. These energy efficient luminaires provide a high 2200 lumens output. This range has two conduit entries, one on either side, plus an entry in the base of the fitting. Constructed from polycarbonate, each fitting is tough and hard wearing. Standard or sensor options available.

2200 LUMEN

LED SMD

IP44 RATED

- Constructed from die cast aluminium alloy & opal polycarbonate
- Matt black finish
