AXIAL ROUND

The Axial is a range of high performance recessed LED adjustable wallwashers. Ideal for commercial/retail applications, this LED technology results in low power consumption when compared to classic CDM light sources. Reliable constant colour rendering and high lumen output. Energy efficient providing cost savings and low-cost long-term maintenance. Features include 60° adjustable tilt. Supplied complete with Eaglerise Driver. Available in round three sizes and rectangle.

NEW PRODUCT

ADJUSTABLE

- Constructed from die cast aluminium alloy & clear glass
- Matt white finish
- Rotation: 355°

90mm 102mm 140mm
