SIRIODISC ADJUSTABLE

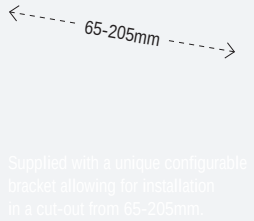

The SirioDISC Adjustable is a versatile recessed or surface mounted LED luminaire. The ultra slim profile can be placed into the slimmest of ceiling voids and boasts a unique configurable bracket allowing for installation into cut-out sizes from 65mm to 205mm. The edge lit technology and high power SMD LEDs offer an even, superior light output, with no dark spots and reduced glare. The SirioDisc Adjustable's unique design allows the contractor to stock one universal luminaire suitable for both recessed and surface applications ideal for residential and commerical projects.

SIRIODISC

Our SirioDISC range complements our Sirio panel making it an ideal choice for office and corridor applications. The 20mm ultra slim profile can fit into the slimmest of voids. The edge lit technology and high power SMD LEDs offer an even, superior light output, with no dark spots and reduced glare. Quick and easy to install into shallow ceilings with a simple jack plug which connects the SirioDISC and driver. A choice of lumens and sizes are available in warm white or cool white. Options also include standard and emergency versions.
