ECOLINEAR

A direct LED replacement for 35W T5 fittings. The EcoLinear 5ft batten is instant on and flicker free, with each unit supplying 2500 lumens of even and bright cool white light and only using 22W whilst offering a 140° beam angle. The EcoLinear also benefits from an easy and quick installation with the use of the supplied suspension clips to aid with installation. Super slim casing with improved thermal management due to its aluminium extrusion.

FLICKER FREE

- Constructed from polycarbonate & aluminium alloy
- Matt white finish

Suspension clips for easy installation
