FORCA 12W

The IP65 Forca bulkhead range is engineered with a tough polycarbonate body and opal diffuser for even light output with no LED hot spots, all versions and accessories are IK08 impact resistant and designed to last. Powered by a flicker free driver it is ultra efficient and delivers up to 1600 lumens. Designed with the installer in mind with BESA mounting and side knockouts, hinged gear tray*, fast fix connector box, interchangeable bezels and emergency, microwave, stepped dimming and photocell options. The Forca is available in both CCT and 4200k versions and comes as standard with a 5 year warranty.
